

The Scheduling Process at Grand Rapids Christian High (2014 -2015)

As a matter of long standing policy and the complexity of high school scheduling:

- Every effort is made to honor course requests made during the registration period.
- Students requesting changes to their course requests or schedule after registration is closed may be denied a change due to limits in class size.
- Students are not permitted to select specific teachers.
- Students are not permitted to select specific class periods.
- Students are scheduled by semester and not the entire year.
- Teacher change may occur at semester breaks.

Sincerely,

Randy Vellenga – Grand Rapids Christian Registrar
